## God's Learning Channel Belief Evaluation

Your answers will not be the sole basis for whether or not you are able to be hired or volunteer at GLC, but it is a key tool we use to evaluate your ability to grow and participate in a fundamental role to help us achieve our mission and be an encouraging member of our team.

Please answer *True (T)* or *False (F)* to the statements below. A "T" means you agree with the statement, an "F" means you disagree. Please go with your first instinct.

Answer T/F	Statement of Belief
	I believe that God exists and participates in our lives daily.
	I believe that having a personal relationship with God is more important than my relationship with my children, parents, friends, etc.
	The Bible was created as an interpretation of early history.
	Overall, going to church to learn good morals and values benefits my life and society as a whole more than having faith.
	I believe that the universe was created naturally.
	I believe all prayer is heard by God and acted upon once we believe in His power to intercede.
	Evil exists in the world because God is trying to test my faith.
	I believe that Jesus Christ is the son of God, God in human form, and that He died on the cross for my salvation as a gift for me.
	I believe that all belief systems are equally valid.
	I believe the Devil tries to shake Christ believers from their beliefs by creating havoc in their lives.
	The teachings of Jesus and the Bible make it easier for me to be a moral person.
	I believe that human life begins at conception.

Name: \_\_\_\_\_

	I feel sadness when I hear about things like earthquakes and hurricanes, but accept that both the good and the bad of life are somehow part of God's plan.
	I think children should be exposed to many different philosophical and religious beliefs so they can make their own choice when they become adults.
	The God of the Bible is the same God of the Mormons, Muslims, Jehovah's Witness, and all other religions.
	The most important part of my spiritual quest is learning to lead a good life and find inner peace.
	To be of value to me, I believe that faith and spirituality must be sought as part of a congregation rather than just sitting down and reading the Bible.
	Acts of kindness earn me points in Heaven.
	It is possible to hear God speak to me, guiding me in what to do.
	It frustrates me that religion causes barriers between people.
	In my opinion, God is everywhere, seeing everything, and concerned about the choices people make.
	I believe that homosexuality is the "issue" of the 21 <sup>st</sup> Century, not really wrong, just mis-understood, much like racism of the 20 <sup>th</sup> Century.
	When I catch a cold or am not feeling well, it is God punishing me because I am in rebellion.
	I believe the Bible is the inspired word of God.
